Sentence 1	They	did not spend	their holiday	-----	at home	last year
Sentence 2	My friend	was waiting	-----	patiently	in the bus stop	-----

Read the following text carefully and answer the questions.

Many people are deaf or cannot hear sounds well. They use sign language. They talk with their hands. Two people with hearing problems can talk to each other. They both use sign language. Sometimes people who can hear also use sign language to talk to them. There are two kinds of hand signs. Some hand signs are for whole word love. There is one hand sign for different action, things, and ideas. Some of the signs are very easy, for example, the signs for meat, milk, and house. You can see what they mean. Others are more difficult, for example, the signs for star, egg, and week. The second kind of hand sign is fingerspelling. In fingerspelling, there is a sign for every letter in the alphabet. For example, to fingerspell the word love, a person makes four different signs. It is much slower, but it is useful for saying words like names and some other words, people can use both kinds of hand signs together. Each country has its own sign language. For example, American sign language (ASL) is very different from British sign language. Using sign language is almost like a dance. The whole body talks. Sign languages are beautiful.

11

Write T if the sentence is true. Write F if the sentence is false.

- 41. T
- 42. F
- 43. F
- 44. F

45. C) All of something

46. What is the main idea of the text?

- C) A sign language helps people who cannot hear talk to each other.
